Subject: Permission to Organize a One-Day Workshop on Financial
Literacy

Respected Sir,

We kindly request your permission to organize a one-day workshop on "Insurance and Financial Security" under the Skill Development Program on 4th September 2018. This workshop aims to educate students on the importance of financial literacy. Your approval will enable us to proceed with the arrangements.

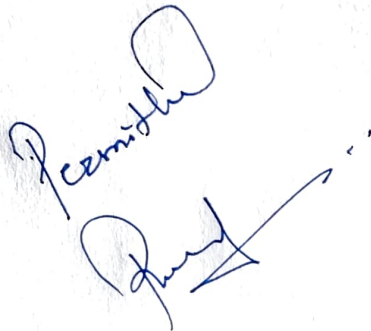

Thank you for your consideration.

Yours

Organized

One-Day Workshop on Financial Literacy

Report

Date:-04/09/2018

Time: 10:00 am

As part of our college's ongoing Skill Development Program, a one-day workshop on "Insurance and Financial Security" was successfully organized on 4th September 2018 to promote financial literacy among students. The event aimed to provide students with a practical understanding of financial planning and the critical role of insurance in securing their future.

The workshop began with an inaugural session led by our esteemed Principal, Dr. Onkar Rasal, who highlighted the importance of financial literacy for students' overall development. He emphasized how understanding financial concepts early on could help students make informed decisions in their future careers and personal lives.

The workshop's keynote speaker, Mr. Dinesh Kulkarni from LIC, Shevgaon, delivered an in-depth and insightful session on insurance and financial security. He covered a range of topics, including the basics of insurance, the types of insurance policies available, and the significance of insurance as a safety net in today's uncertain world. Mr. Kulkarni's engaging and interactive approach allowed students to ask questions and gain a clear understanding of how insurance can be an essential part of a sound financial plan.

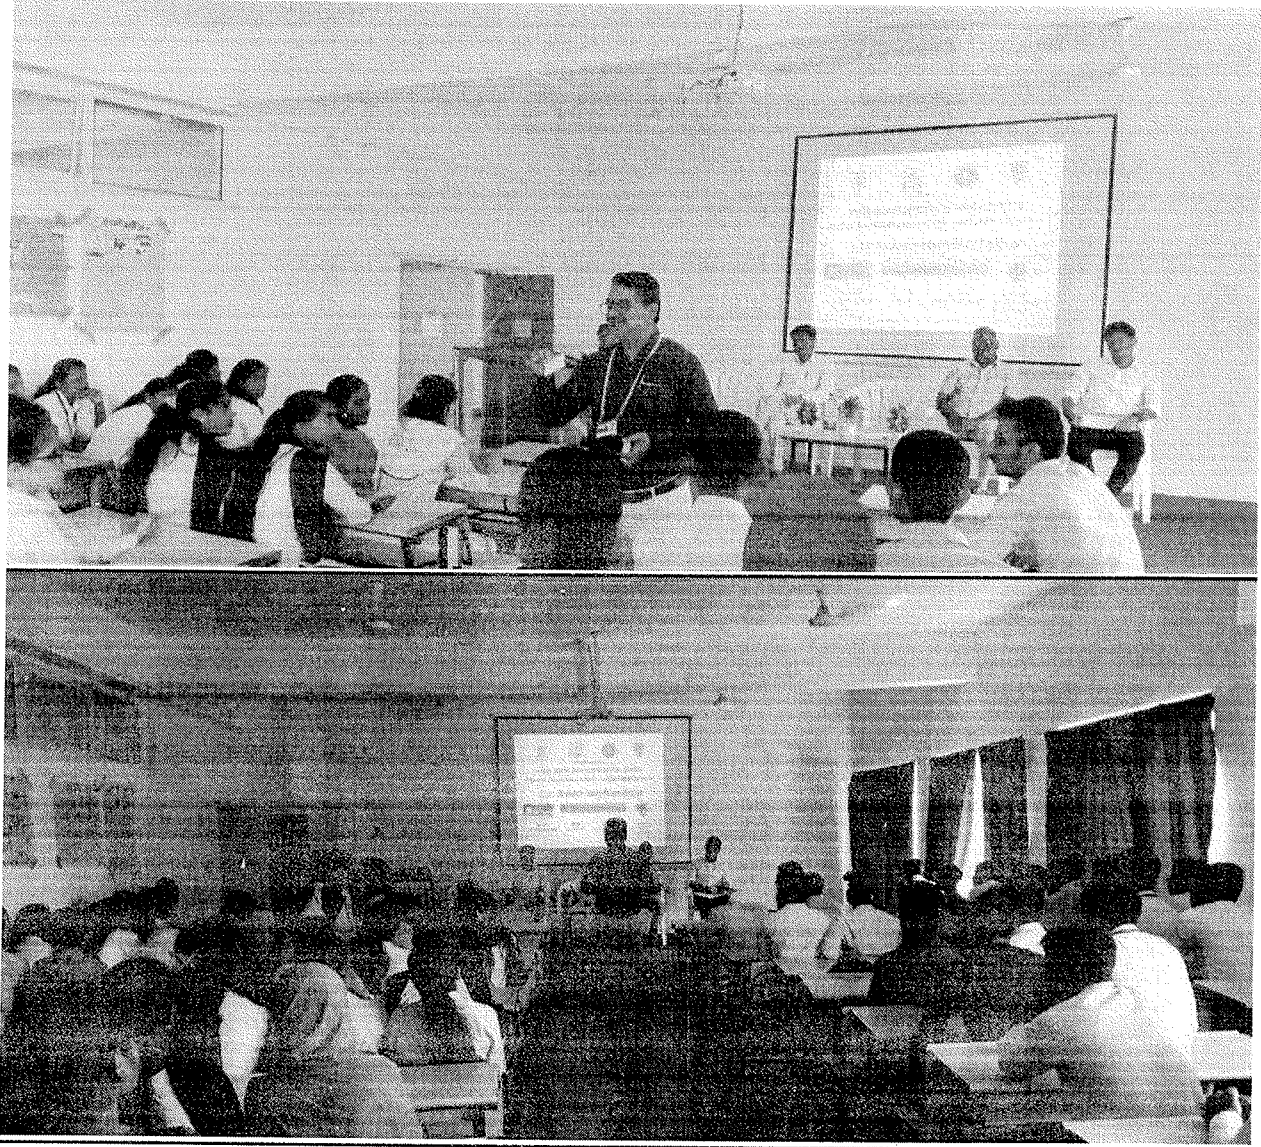

The session was not only informative but also highly practical. Mr. Kulkarni provided real-life examples and shared strategies on how to choose the right insurance policy based on individual needs. His guidance helped students grasp complex concepts like risk management, policy terms, and benefits in simple and relatable terms.

Coordinating this enriching event was Mr. Digambar Shelke, Head of the Commerce Department, who ensured the smooth organization of the workshop. His efforts in overseeing the arrangements and facilitating a welcoming environment contributed to the success of the program.

Overall, the workshop was well-received by the students, who gained valuable insights into financial planning and security. It proved to be a significant step in enhancing the financial awareness and literacy of our students, preparing them to make informed financial decisions in the future. This initiative aligns with the college's commitment to empowering students with essential life skills beyond academic knowledge.

The college expresses its sincere appreciation to Mr. Dinesh Kulkarni for his valuable contribution and to Dr. Onkar Rasal for his inspiring guidance, which made this workshop a meaningful learning experience for all participants.
