Report on Group Discussion on E-Commerce

Date: 10/12/2021

Organized by: Department of Commerce

On 10th December 2021, a group discussion was organized on the topic "The Growing Impact of E-Commerce: A Post-COVID Revolution." The event brought together students and teachers to discuss how the e-commerce industry has witnessed unprecedented growth after the COVID-19 pandemic.

Fifteen students from the Commerce Department actively participated, presenting examples of how online marketing and businesses have evolved during and after the pandemic. They highlighted the increasing dependency on digital platforms for shopping, education, and services.

Teachers provided valuable insights into the post-pandemic transformations and guided students on potential future opportunities in the e-commerce sector. The discussion enriched the participants' understanding of the subject and inspired them to explore emerging opportunities in this field.

The program was successfully conducted with active participation and enthusiasm from everyone.
