National Education Policy-2020

Implementation Committee 2023-24

❖ **Aims:**

- To promote the holistic development of students, focusing on their physical, cognitive, social, emotional, and ethical aspects.
- To ensure quality education for all students, regardless of their socio-economic background.
- To make education more relevant to the needs of the 21st century and prepare students for the future.
- To make education more inclusive and accessible to all students, including those with disabilities.

❖ **Objectives:**

- ✓ To provide high-quality education for all students.
- ✓ To develop a new curriculum that is relevant, comprehensive, and flexible.
- ✓ To reform the assessment system to focus on learning and development rather than rote memorization.
- ✓ To integrate digital technology into education to enhance learning experiences.
- ✓ To strengthen vocational education and skill development.
- ✓ To improve the quality and accessibility of higher education among students.
