Introduction

Department of Commerce has the organized various activities and programs for the encourages of students. In order to encourage and provide a platform to the students of department of commerce to exhibit their talent, creativity it was decided to form a commerce association. Commerce association is an association of commerce students through which the students of commerce can come together and interact and enrich their horizon in the subject matter related to their studies. The students get an opportunity to know, understand and learn about the world of Commerce.

Aims and Objectives

- To provide necessary academic guidance.
- ➤ To provide information about the latest changes in the field of Commerce and Management.
- To prepare the students to face the challenges in the field of Commerce and Management.
- > Provide information about career advancement programs.
- ➤ Help the students who seek jobs as clerks, officers...etc in the business enterprises, financial institutions, insurance companiesetc
- ➤ Help the students to know the various career opportunities available in the field of business and select those career opportunities which suits to their requirements and abilities.
- > To help and guide the students to become a successful graduate.
- ➤ To help the students to have a thorough knowledge of the various aspects of business.
- To help the students to understand, analyze and solve the problems in managing the business.
- ➤ To develop leadership qualities among the students.
- ➤ To make the students well acquainted with latest information/developments by organizing guest lectures, seminars, Industrial visits, field visits.

All the above, to make our graduates a responsible citizens of the society.

Constitution

Commerce association is constituted by the staff of the commerce department and students of the B.Com classes. To undertake the activities of the association, an executive committee is formed. The H.O.D of commerce is the director and one staff member on rotation basis will co-ordinate the activities of the association with help of student representatives and other staff members in the department. So the Commerce Association Executive Committee consists of the following members.
