

Mentor Mentee

THREE YEAR'S CONSOLIDATED REPORT **(2021-2022, 2022-23, 2023-24)**

The mentor's role is to guide, to give advice, and to support the mentee. A mentor can help a person (Mentee) improve his/ her abilities and skills through observation, assessment, modeling, and by providing guidance. To give professional, Social and personal support to facilitate success to the Students, our college has mentor- mentee scheme which is running yearly. A committee is constituted every year consisting two members of each faculty and a chairman. Equal no of students allotted to each faculty. After the distribution of students the chairman took the teachers meeting to instruct and guide about the scheme. The first meeting generally held in the beginning of the first semester, the second at the end of the first semester, the third at the beginning of the second semester and the last one at end of the second semester.

The following observation found from the report that has been submitted by the Mentors:

Almost all teachers have collected all the necessary information of the students, such as their mobile no, name, address, email- ID, parents contact no etc. The meetings having discussion on various common issues like academic, social, health awareness, importance of physical fitness, importance of yoga, student's problem regarding study, study material , college facility and campus discipline, syllabus status, result analysis, students comprehension, departmental facilities, hygiene, library facility, water problem, travel problem, dress code, usage of mobile phones and personal issues.

- Mentors maintain and developed family relation with their students.
- Some of them having healthy communication with parents and conducted parent meeting in their department.
- Get together programs were also organized in college campus.
- Students were counseled to attend classes regularly.
- Weak students are motivated and properly counseled and surprisingly their results were improved.
- Some of the students were motivated to take part in various activities, competition and some of them they won the prizes.
- Married girls are motivated to take admission so that they can complete their graduation.
- Most of the problems are sorted by the mentor by their own through counseling and suggestions. If some serious problem occurs it was forwarded to the higher authority.

Outcome of the Scheme:

- Students started to share their problem as well as their thought with Mentor.
- Students give their suggestion and requirement for the development of the college.
- It Motivates students to upgrade them.
- Helps to understand student's academic and personal problems in advance.
