**'Poetry Recitation Competition'**

**Report**

The Department of English of Pravara Medical Trust's Arts, Commerce, and Science College, Shevgaon held Poetry Recitation Competition on January 6, 2020. This event was a significant part of the college's cultural activities, aimed at encouraging students to explore and express their literary talents. A total of 18 enthusiastic students registered to participate in this competition, making it a vibrant and engaging event.

The competition was held in the college's Seminar Hall. The competition began promptly at 10 a.m. with a welcome address by the Head of the English Department, Mr. Sajed Patel. In his opening speech, he emphasized the significance of poetry as a medium for self-expression and communication. He also highlighted the efforts of the participating students, who had invested time and effort into preparing for the competition. Her words set a positive and encouraging tone for the day.

Each participant was given a specific time slot to recite their chosen poem. The range of poems was diverse, reflecting various themes, styles, and periods. Some students chose classic poems from renowned poets like Shakespeare and Wordsworth, while others opted for contemporary pieces that spoke about current issues and personal experiences. The recitations were a blend of powerful emotions, dramatic expressions, and artistic flair. Each student brought their unique interpretation to the poem they recited, captivating the audience with their performances.

The judging panel for the competition consisted of three esteemed faculty members from the English, Marathi and Hindi Department. They were tasked with evaluating the performances based on criteria such as clarity of diction, emotional expression, understanding of the poem, and overall presentation. After all the recitations were completed, there was a brief intermission during which the judges deliberated over their decisions. This gave the audience a chance to reflect on the performances and discuss their favourite recitations.
