Subject: Permission to Organize Workshop on Research Methodology and
Research Designing...

Respected Sir,

With the above mentioned subject, Department of Chemistry kind permission to organize **Workshop on "Research Methodology and Research Designing"** in the second week of **September 2022**. This workshop aims to equip participants, particularly postgraduate students and faculty members, with the essential skills for designing and conducting impactful research Chemistry.

Therefore, it is request to give approval for the said workshop.

Thanking you!

Yours sincerely,

Mr. Inamdar Kabir B.
Head of Dept. Chemistry

Subject: - Invitation for Resource Person of 'Research Methodology and Research Designing' Workshop....

Respected sir,

With Reference to above mentioned subject, I am delighted to invite you to deliver a **Lecture on "Research Methodology & Research Designing"** for Postgraduate Students and Faculty members of Chemistry Department on 12th September 2022 at 10:00 am.

Your expertise will greatly benefit our students and we would be honoured to host you.

Warm regards,

Received

Department of Chemistry

Organized

“Research Methodology & Research Designing Workshop”

Date: - 12th September 2022

Time: - 10:00 AM

Number of Participants: - 43 Students

Resource Person: Dr. Shashikant Kuchekar (Ex-Principal ~~Ex-Principal~~ of Women College of Home Science and BCA Loni)

Overview

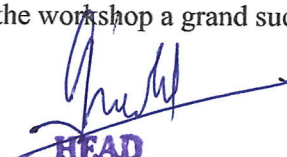

The Department of Chemistry, PMT's, Arts, Commerce and Science College, Shevgaon organized workshop on **Research Methodology and Research Design** on 12th September 2022 at 10:00 AM. The event aimed to equip participants with essential skills and knowledge about research methodology and designing research studies.

Objectives of the Workshop

- 1. Understand Research Fundamentals**
 - To provide a comprehensive understanding of the basic concepts and principles of research methodology.
- 2. Develop Research Skills**
 - To enhance participants' abilities to design, plan, and execute effective research studies.
- 3. Formulate Research Questions**
 - To guide participants in identifying research problems and formulating clear and focused research questions.
- 4. Learn Research Design Techniques**
 - To familiarize participants with various research designs and their applications to ensure robust and valid outcomes.
- 5. Promote Ethical Research Practices**
 - To emphasize the importance of ethical considerations in research activities.
- 6. Encourage Critical Thinking**
 - To develop analytical and critical thinking skills necessary for interpreting and analysing research findings.
- 7. Enhance Academic Excellence**
 - To inspire faculty and students to undertake high-quality research contributing to their academic and professional growth.

Dr. Shashikant Kuchekar a distinguished academician and expert in the field, served as the resource person. His interactive sessions provided valuable insights into formulating research questions, selecting suitable methodologies, and designing robust research studies.

The workshop concluded with Vote of Thanks, during which participants expressed their appreciation for the resource person's expertise and the relevance of the topics covered. The Department of Chemistry extended its gratitude to Dr. Kuchekar and all participants for their active involvement, making the workshop a grand success.
