Brief Report on Certificate Course on Public Health & Hygiene

Certificate Course on Health and Hygiene was conducted by department of Zoology from 16-07-2018 to 12-10-2018 to FY/SY BSc. Students. The objective of learning this program is to enable the students to study about health and enrich the practical knowledge in hygiene practices. This program is conducted before commencement of classes.

We continue to advance knowledge and facilitate solutions in order to support more inclusive societies and break barriers to health and well-being. Good personal hygiene is one of the best ways to protect oneself from getting illness. Maintaining good personal hygiene will also help prevent you from spreading this to other people. Good hygiene lowers a person's risk for diseases and illness commonly spread through viruses and bacteria.

Avoidable harm continuous to occurs to patients receiving healthcare because of the unreliable systems and strategies that mitigate against optimal hand hygiene compliance. In particular to raise awareness of the issue elevate it to a level of prominence that might not be realise in the absence of a nationality coordinated activity.

योग परिचय प्रमाणपत्र अभ्यासक्रम (२०१८-१९)

योग परिचय प्रमाणपत्र अभ्यासक्रम ३ महिन्यांच्या कालावधीत जुलै ते सप्टेंबर २०१८ दरम्यान आयोजित करण्यात आला. हा अभ्यासक्रम प्राचार्य डॉ. ओंकार रसाळ यांच्या परवानगीने राबवला गेला. अभ्यासक्रम रचना कार्यशाळा ७ जुलै २०१८ रोजी आयोजित संपन्न झाली, ज्यामध्ये प्रमुख तज्ञ व्यक्ती म्हणून नरवडे लक्ष्मण जानदेव (संवेदना योग क्लासेस, शेवगाव) आणि लेंडगुळे सचिन मारुती (प्राथमिक आरोग्य केंद्र, पगोरी पिंपळगाव) हे उपस्थित होते.

अभ्यासक्रम तासिकाची सुरुवात १६ जुलै २०१८ रोजी झाली, आणि ४५ तासांच्या अभ्यासक्रमात विद्यार्थ्यांना योगाचे विविध प्रकार, तंत्र आणि फायदे शिकवले गेले. २८ सप्टेंबर २०१८ रोजी परीक्षा घेतली गेली, आणि त्यानंतर १३ ऑक्टोबर २०१८ रोजी निकाल जाहीर करण्यात आले आणि प्रमाणपत्रे विद्यार्थ्यांना वितरित केली गेली.

या अभ्यासक्रमाने विद्यार्थ्यांना योगाच्या मूलभूत तत्वांचा परिचय करून दिला आणि त्यांचे शारीरिक व मानसिक स्वास्थ्य सुधारण्यास मदत केली.

Brief Report

Pravara Medical Trust's Arts, Commerce, and Science College, Shevgaon Department of English has conducted "Certificate Course on English in Use" aimed to give students understanding of how English is important in different fields. The course was held from August 2019 to October 2019.

It helped students improve their speaking and writing English skill in various fields, such as professional, academic, and social environments. Students also learned to analyze and create complex texts and communications. The course included 45 hours (3 Credit) of both practical and theory classes, each focusing on different aspects of English usage. These sessions were taught by faculty members of English Department. Along with lectures, practical activities were also held to give students a chance to apply what they learned in real-life situations.

The course was open to all undergraduate making it accessible to learners from various streams. A total of 20 students joined the course, showing their strong interest in improving their English language skills in different fields.

Participants also gave positive feedback about the course's structure, content, and about course conduction. Many students appreciated the practical use of lessons and the chance to interact with professionals from different areas.

"Certificate Course on English in Use" for the academic year 2019-20 successfully met its goals by providing students with useful skills and knowledge. The variety of topics and interactive sessions made it a valuable learning experience for all.

Academic Year 2019-20

Certificate Course in GST Assistant

Academic Year:	2019-20
Course Dates:	August to October 2019
Course Coordinator:	Mr. Sumit Pulate
Batch Size:	20 Students

Course Overview:

In the academic year 2019-20, the Commerce Department conducted a Certificate Course in GST Assistant, aimed at providing students with a thorough understanding of GST, along with the practical skills necessary for roles related to GST compliance. The course from August to October, with 20 students enrolled.

Syllabus Development Workshop:

To ensure the course met industry standards, a workshop for syllabus development was held on 13th July 2019. This workshop featured expert speakers, CA Siddhartha Baldawa and Ms. Ganga Bhalsing, who provided key insights into GST practices that were incorporated into the course curriculum.

Course Structure and Assessment:

The course structure integrated theoretical instruction with practical sessions, ensuring that students gained both knowledge and hands-on experience. Following the completion of the course, students were evaluated through practical and written examinations. All 20 students successfully passed, showcasing their competence in GST-related subjects.

Support and Acknowledgments:

The success of this course was due to the support of key individuals, including IQAC Coordinator Mr. Sajed Patel, Examination Officer Mr. Hameed Shaikh, and Ms. Priyanka Shelke. Their contributions were crucial in ensuring the course ran smoothly and effectively.

Certificate Distribution Ceremony:

On 13/11/2019, a certificate distribution ceremony was held to celebrate the achievements of the students. The Principal of the college, Dr. Onkar Rasal, provided valuable guidance and encouragement, while Course Coordinator Mr. Sumit Pulate expressed his gratitude to all participants and contributors.

Conclusion:

The Certificate Course in GST Assistant was a notable initiative by the Commerce Department, successfully equipping students with the necessary knowledge and practical skills for careers in GST-related fields.

Certificate Course in E- Banking Literacy
Academic Year 2021-22

Certificate Course in E-Banking Literacy	
Department:	Commerce
Academic Year:	2021-22
Course Dates:	December 2021 - March 2022
Course Coordinator:	Mr. Sumit Pulate
Batch Size:	20 Students

Course Overview:

During the academic year 2021-22, the Commerce Department successfully conducted a Certificate Course in E-Banking Literacy. The course was designed to equip students with essential knowledge and practical skills in the field of E-banking. A total of 20 students enrolled in the course, which ran from December 2021 to March 2022.

Syllabus Development Workshop:

A workshop to design the syllabus for the course was held on 11/12/2021. The workshop featured expert speakers, Mr. Abhimanyu Dahale and Ms. Shaikh Nafise, who provided valuable insights into the latest trends and practices in E-banking, which were incorporated into the course curriculum.

Course Structure and Assessment:

The course combined theoretical instruction with practical sessions to ensure a comprehensive understanding of E-banking. Upon completion of the course, students were assessed through both practical and written examinations. All 20 students successfully passed, demonstrating their proficiency in the subject matter.

Support and Acknowledgments:

The successful execution of this course was made possible by the invaluable support of several key individuals, including Mr. Abhimanyu Dahale (Manager of Pravara Sahakari Bank shevgaon Branch) IQAC Coordinator Mr. Sajed Patel, Examination Officer Mr. Hameed Shaikh, and Mr. Mohan Paratwagh. Their contributions were instrumental in ensuring the smooth operation of the course.

Certificate Distribution Ceremony:

On 4th April, 2022, a certificate distribution ceremony was held to honor the students' achievements. The Principal of the college, Dr. Onkar Rasal, provided guidance and encouragement to the students. Course Coordinator Mr. Sumit Pulate expressed his gratitude to all participants and contributors, highlighting the collective effort that led to the course's success.

Conclusion:

The Certificate Course in E-Banking Literacy was a significant initiative by the Commerce Department, successfully preparing students with the knowledge and skills required to navigate the evolving landscape of E-banking.

6 HOURS	Unit-VII Laboratory visit(One Day)	LECTURER NAME
9	Visit to well-equipped laboratory for gaining better knowledge regarding safety. Observe the various lab.safety equipment's like fume hood, fire extinguisher, and water showered...etc	PROF.INAMDAR K.B.

Advantage of the Course and future Prospects And expected Outcomes:

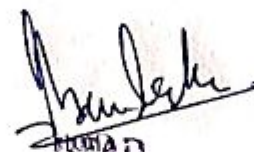

- IX. Students can get sufficient knowledge about safety.
- X. Students by using its knowledge they perform well hygiene work in laboratory.
- XI. Students understand the importance of safety.
- XII. In future when the get job in various chemical, pharma industry they easily apply this knowledge.
- XIII. Students understand how to handle medical and accidental situation.
- XIV. Today environmental issue is very serious situation so they understand how to dispose various chemicals.
- XV. Students also guide to other who work in lab.
- XVI. Students also learn how to use research paper, internet, etc. for safety purpose.

ACADEMIC YEAR 2021-22 (SEM-Ist)

Certificate Course Report

Department of Chemistry was conducted "Certificate Course on Chemistry Lab. Safety" in the academic year 2021-22 (Semester-Ist) in between month August to September. The course was conducted under the guidance of the Principal of the college Dr. Onkar Rasal, Head of the Department Prof. Inamdar K.B. and IQAC Head Prof. Sajed Patel, and Head of Skill Development Center Prof. Mohan Paratwagh. The course was conducted by Prof. Inamdar K.B.

In this course there were 20 students selected and in that 12 boys and 08 girls were included. These students were taken from M.Sc. Chemistry(Part-I) and B.Sc.(Ist, IInd, IIIrd year). This course was conducted for 100 marks with 30 marks for theory exam and 70 marks for practical exam. There was one day industrial visit at 'Gangamai Sugar Factory' for observe how to maintain safety in chemical lab.

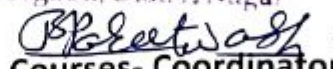

The duration of the course was 45 days from month August to September 2021. In one week there is 3 days for lectures and 3 days for practical work exclude public holiday and Sunday. According to time table each lecture and Practical was 120 minutes. Dr.S.R.Kande and Prof.Potangale C.N. invites for syllabus framing and guest lectures. All Students successfully completed the certificate course with 06 students obtained A+ grade, 08 students obtained A grade, 05 students obtained B+ grade, and 01 student obtained B grade and 00 student obtain C grade.

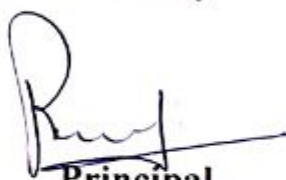

The feature of the course is that students gain lot of knowledge from the course conductor and its beneficial not only for academic but also in industry type work.

Certificate Course on Nursery Management
2021-22

Report

Department: Botany

Academic Year: 2021-2022 (Semester 2)

Course Dates: December 2021 - March 2022 (45 hours)

Course Coordinator: Asst. Prof. Powale A. R.

Batch Size: 20 Students

Course Description:

This certificate course in Nursery Management equipped students with the knowledge and skills necessary for the successful operation of a plant nursery. The curriculum combined theoretical and practical aspects, covering topics such as:

- Plant propagation techniques
- Plant growth and development
- Pest and disease management
- Nursery infrastructure and management
- Methods of vegetative propagation

Coursework:

The course included a balanced mix of theory lectures and hands-on practical sessions. Through lectures, students gained a strong foundation in the principles of nursery management. Practical sessions provided opportunities for students to apply their knowledge and develop practical skills such as:

- Seed sowing and seedling care
- Plant propagation techniques (cuttings, grafting, etc.)
- Media preparation and fertilization
- Pest and disease identification and control

Industry Exposure:

To enhance students learning experience, students participated in a field visit to Vrukshvalli Nursery. This visit provided students with a firsthand look at a real-world nursery operation and allowed them to interact with nursery professionals.

Assessment:

Student learning was assessed through an examination conducted by the course coordinator. all 20 students (100%) successfully passed the exam, demonstrating their understanding of the course materials.

Overall, the Certificate Course in Nursery Management was a successful program by combining theoretical knowledge with practical experience, the course helpful for students for a fulfilling career in the horticulture industry.

Brief Report on Certificate Course in Financial Awareness

1. Introduction :

PMT's Arts, Commerce & Science College, Shevgaon and Department of Commerce started the certificate course in Financial Awareness in the academic Year from 2022-2023. In these course 20 students enrolled, they have completed their course during the duration of month September 2023. The Certificate Course in Financial Awareness aims to equip students with essential financial knowledge and practical skills for effective financial management. This course covers topics like budgeting, savings, investments, credit management, and personal financial planning, which are critical for college students as they transition to financial independence.

2. Objectives

- Develop an understanding of fundamental financial concepts.
- Promote responsible financial behavior among students.
- Equip students with the skills needed for budgeting, saving, and investing.
- Foster an awareness of the economic environment and financial decision-making.

3. Course Structure and Content the course is typically spread over a few weeks, comprising lectures, practical workshops, and assessments. Key modules include:

- **Introduction to Personal Finance:** Basics of budgeting, spending, and saving.
- **Investment Fundamentals:** Overview of financial instruments like stocks, bonds, mutual funds, and cryptocurrency.
- **Credit Management:** Understanding loans, credit scores, and managing debt.
- **Risk Management and Insurance:** Types of insurance and their importance in financial planning.
- **Taxation Basics:** Basics of income tax and tax planning for beginners.

4. Learning Methods The course includes lectures by faculty and guest speakers from the finance industry, case studies, real-life financial planning exercises, and group discussions. Interactive sessions, like budgeting exercises and investment simulations, make the content accessible and engaging.

5. Outcomes and Benefits

- **Enhanced Financial Literacy:** Students develop confidence in managing personal finances and making informed financial decisions.
- **Practical Skills:** Hands-on sessions in budgeting and investment help students apply financial principles to real-world situations.
- **Career Readiness:** Students interested in finance careers gain a foundational understanding, which is advantageous for internships or job interviews in finance-related roles.
- **Empowerment:** Improved financial awareness contributes to better money management, reducing financial stress and promoting independence.

6. **Conclusion:** The Certificate Course in Financial Awareness effectively prepares students to handle their personal finances and introduces essential financial concepts. Given its practical benefits, expanding the course to more students could further improve financial literacy on campus.

Principal Dr.Onkar Rasal, IQAC Co-ordinator Mr.Sajed Patel, Certificate Course Co-ordinator Mr.Mohan Paratwagh, HOD of the Commerce Department Mr.Sumit Pulate, Co-ordinator of this certificate Course Mrs.Prajakta Sable, & All the Staff members are took initiative & efforts for Successful Completion of the Course.

Annual Report

Basics of Human Rights Certificate Course

As per Letter No. PMTACSC/SDC/04/2022-23

This annual report outlines the key events, contributors, and educational activities related to the Basics of Human Rights course. The course consisted of expert lectures, workshops, and evaluations aimed at providing a comprehensive understanding of human rights from both international and Indian perspectives.

1. Syllabus Framing Workshop

Date: 16/01/2023

Experts:

Asst. Prof. Nitin Nipunge

Asst. Prof. AUTI P.S.

Objective:

To develop and refine the course syllabus with the aim of covering human rights comprehensively, including international norms and Indian constitutional provisions.

2. Basic of Human Right Lectures:-

Duration: 17/01/2023 – 06/03/2023

Guest Lecturers:

Dr. Bansode V. B.

Topic: International Human Rights

Dr. Chothe A. U.

Topic: Human Rights in the Indian Constitution

Overview:

The lecture series provided students with detailed knowledge of human rights from both global and national perspectives, ensuring a thorough understanding of international frameworks and the Indian legal system.

3. Examination

Date: 10/03/2023

The examination assessed students on their understanding of international human rights norms and their applications within the Indian legal framework. Exam will be conducted on basic of human right. Exam is a multiple choice question and short notes

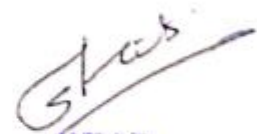

4. Results Declaration

Date: 20/03/2023

After take an examination check students paper and results were announced, reflecting students' comprehension and analytical abilities based on their performance in the examination.

Conclusion:

This report summarizes the successful implementation of the Basics of Human Rights Certificate Course, emphasizing the contributions of academic experts and the well-structured educational program aimed at enhancing students' understanding of human rights.

Syllabus of Certificate Course in Soil and Water Analysis

Unit-I: - Soil Analysis

Topic – I

[3 Hours]

Definition of Soil, Concept of Lithosphere, Soil as a natural body, Soil Components: Air, Water, inorganic and organic solids.

Topic –II

[2 Hours]

Formation of Soil, Types & Basic Concepts of Soils. Soil Profile & Classification.

Topic –III

[6 Hours]

Physical and Chemical Properties :-

Soil Separates, Texture, Aggregation and Structure, Temperature, Colour, Properties of Soil Mixture, Pore Space, Bulk Density, Particle Density, Aeration and Drainage. Compaction, Surface area, Soil water relationships. Morphology of Colloids, Chemistry of Clays, Ionic Exchange, Acidity, Alkalinity, pH, Salinity, Reactions in Liming and Acidification.

Biological Properties of soil :-

Soil Organic Matter, C: N Relationships, N-Transformation, Soil Organisms, Sulfur Transformation. Importance of Soil Testing and Analysis

Topic-IV

[4 Hours]

Sample Collection and Processing Purpose of Soil testing and analysis, selection of field, Method of Soil Sample collection Methods of soil sample processing, precautions during soil collection & processing. Preservation labelling and storage of soil samples. Preparation of Soil analysis and test report.

Unit-II: - Water Analysis

Topic-I

[3 Hours]

Introduction: Water and its Quality Parameters- Chemistry of water -Water resources- Hydrological cycle-Water quality parameters and drinking standard-Physical, Chemical quality of drinking water-Biological quality of drinking water.

Topic –II

[5 Hours]

Water Analysis-Water composition analysis - Hardness testing-pH-Salinity-Turbidity-TDS -Conductivity testing-Minerals-BOD, COD, DO, Coli forms-Culture identification-MPN test-Microscopy: principles and practices-Staining methods. Water borne pathogen: Types and Detection-Portability of water.

Topic -III

[3 Hours]

Water treatment -Treatment of water: Flowchart of water treatment plant, Treatment methods (Theory and Design) Physico-chemical treatments: Sedimentation, Coagulation-flocculation, Settling tanks, Disinfection systems: Chemicals- Chlorination and other disinfection methods, Reverse osmosis technologies.

Topic -IV

[4 Hours]

Practical Analytical Methods - Introduction to analytical laboratory - Safety, Equipment's and techniques used in laboratory, Determination of hardness, pH, turbidity, conductivity, DO, BOD and COD, Analysis of metals and ions, Microbiological analysis.

Unit-III: - Practical and Field work

PRACTICALS

[15 Hours]

1. Determination of pH of soil and classification as acidic or basic soils.
2. Determination of electrical conductance of soil and hence total soluble salt contents.
3. Determination of Calcium Carbonate (CaCO_3) content of soils.
4. Determination of Gypsum requirement of alkaline soils.
5. Determination of available Phosphorous from soils by Colorimetric method.
6. Determination of Potassium from soil by flame photometer.
7. Determination of Sodium from soil by flame photometer
8. Determination of Calcium from soil by flame photometer.
9. Determination of Nitrate from soil.
10. Determination of pH of water samples.
11. Determination of COD of water samples.
12. Determination of BOD of water samples.
13. Determination of TDS of water samples.
14. Determination of turbidity of water samples

Field work and preparation of field report.

Post Graduate Department of Chemistry

Certificate Course on Soil and Water Analysis

Brief Report

Pravara Medical Trust's, Arts Commerce and Science College Shevgaon. Post Graduate Department of Chemistry successfully organized a "Certificate Course on Soil and Water Analysis" from 8th August 2022 to 05th November 2022. Total 37 participants participated in the course. The course aimed to equip participants with essential skills and knowledge in analysing soil and water samples, which are critical in various environmental and agricultural contexts.

Through a combination of theoretical lectures and practical laboratory sessions, participants learned about sampling techniques, analytical methods, and data interpretation. The course was designed to equip participants with practical skills in soil and water analysis, covering key topics such as chemical properties, laboratory techniques, and field sampling methods. Through hands-on training and data interpretation sessions, participants enhanced their ability to conduct independent analyses, with applications in agriculture and environmental monitoring. The course was well-received, providing valuable insights and skills to all attendees.

Objective of the Course

The primary objective of the course was to provide participants with a comprehensive understanding of soil and water analysis techniques. The course aimed to develop the participants' abilities to carry out independent analyses, which are crucial for ensuring the sustainability of agricultural practices and environmental conservation.

Outcome of the Course

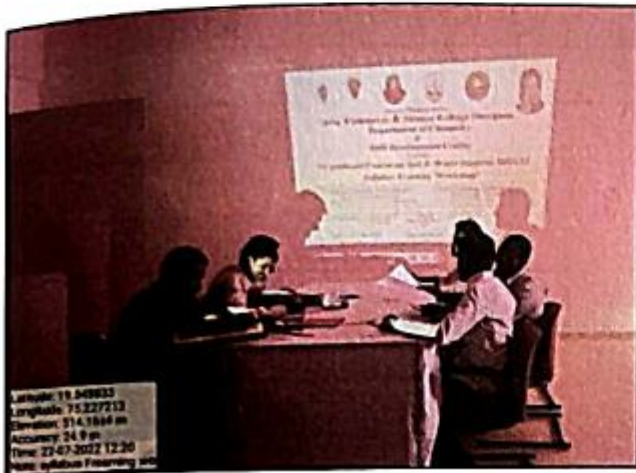

The course was well-received by all participants, who expressed appreciation for the depth and relevance of the content. By the end of the course, participants had significantly enhanced their analytical skills, particularly in soil and water analysis. The practical approach of the course equipped them with the confidence to conduct independent analyses, which they can apply in their respective fields.
