## Soft Skill Development Programme 2022-23 Report

Pravara Medical Trust's Arts, Commerce and Science College Shevgaon has organized Soft Skill Development Program-2023 from 15<sup>th</sup> to 21<sup>st</sup> April 2023.

This program was conducted with the aim of enhancing various essential skills among students, which are crucial for their academic and professional development. For the respective program, the Principal of the college Dr. Onkar Rasal and the Vice -Principal Prof. Mohan Partawagh as well as the Coordinator of IQAC Prof. Sajed Patel and the coordinator of the program Prof. Gangawane Chaitany and other dignitaries were presented.

On the first day of the program college has invited to Mr. Ravindra Zinjurke from CBSE School Shevgaon, for the discussing the topic on various career paths and emerging job opportunities, helping students understand the importance of skill-based career planning.

On the next day, the College has invited for this session Mr. Amol Agashe from Dada Patil Rajale College, Adinathnagar to discuss on the topic like need of effective communication in personal and professional life, aiming to boost students' confidence in verbal and non-verbal interactions.

On the next day Principal of college invited as guest speaker for the session. This session encouraged students to think analytically and make good decisions. Dr. Rasal's lecture fostered a questioning mindset, essential for academic growth. He also discussed importance of critical thinking and decision making ability.

On the next day of program college has invited Mr. Manikrao Potphode from Shevgaon English Medium, Shevgaon to discuss on the topic 'Stress and Time Management'. Mr. Potphode sir introduced techniques for managing time efficiently and handling stress, a critical skill for students managing multiple academic and personal responsibilities

On the next day of program college has invited **Mr. Bhushan Kulkarni** a Pro-trainer from Knowledge Bridge, Ahmednagar to give valuable thoughts on the topic '**Social Media and Digital Literacy**'. Mr. Kulkarni Sir discussed a world dominated by digital interactions; Mr. Kulkarni emphasized responsible social media use and highlighted the importance of digital literacy

On the last day of the program college invited Prof. Girish Kukareja as expert speaker on the topic 'Presentation Skill and Leadership Qualities'. The final session focused on developing students' presentation skills and leadership qualities, which are crucial for their personal and professional lives.

The arrangement of Each Session like the program schedule, anchoring, vote of thanks and other arrangement were done by the college students, for the purpose of developing practical skill among students. Students submitted their feedback form of the each session after completing the session.

**Students Students All Departments Head Professors were present**

❖ **important points obtained from the lecture:-**

1. Students got information about Virtual Reality.
2. Students also got to see his demonstration. Clear the doubts of the students done.

❖ **Importance of the program :-**

Augmented reality (AR) is a type of virtual reality technology that blends what the user sees in their real surroundings with digital content generated by computer software. The additional software-generated images with the virtual scene typically enhance how the real surroundings look in some way.
