Policy Document on Environment and Energy Usage

The Environment and Energy Usage Policy of Pravara Medical Trust's Arts, Commerce and Science College, Shevgaon is focuses on optimum utilization of energy to minimize its impact on the environment. To promote sustainable practices and efficient energy usage, reducing the environmental impact of the institution while fostering a culture of ecological responsibility among students and staff. This policy applies to all faculty, staff, students and visitors involved with the college activities and facilities.

- ✚ To install LED bulbs in the whole campus to save energy.
- ✚ To promote environment-friendly vehicles including bicycles, public transportation for reduction in pollution.
- ✚ To undertake tree plantation drive.
- ✚ To offer opportunities for employees and students to engage in initiatives which contribute to environmental protection.
- ✚ Reduce energy consumption by optimizing usage and upgrading infrastructure where possible.

WASTE MANAGEMENT

Sr. No.	Particulars
1	Solid Waste
2	Liquid Waste Management
3	Chemicals Waste Management
4	E-waste Management

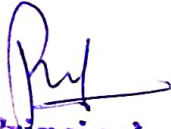

Management of the various types of degradable and non-degradable

The institute adopted a well-developed waste management system for greater efficiency and Sustainability. The college has segregated waste into three parts

1) Solid waste

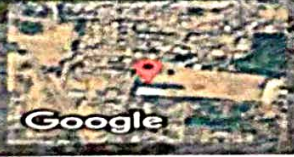

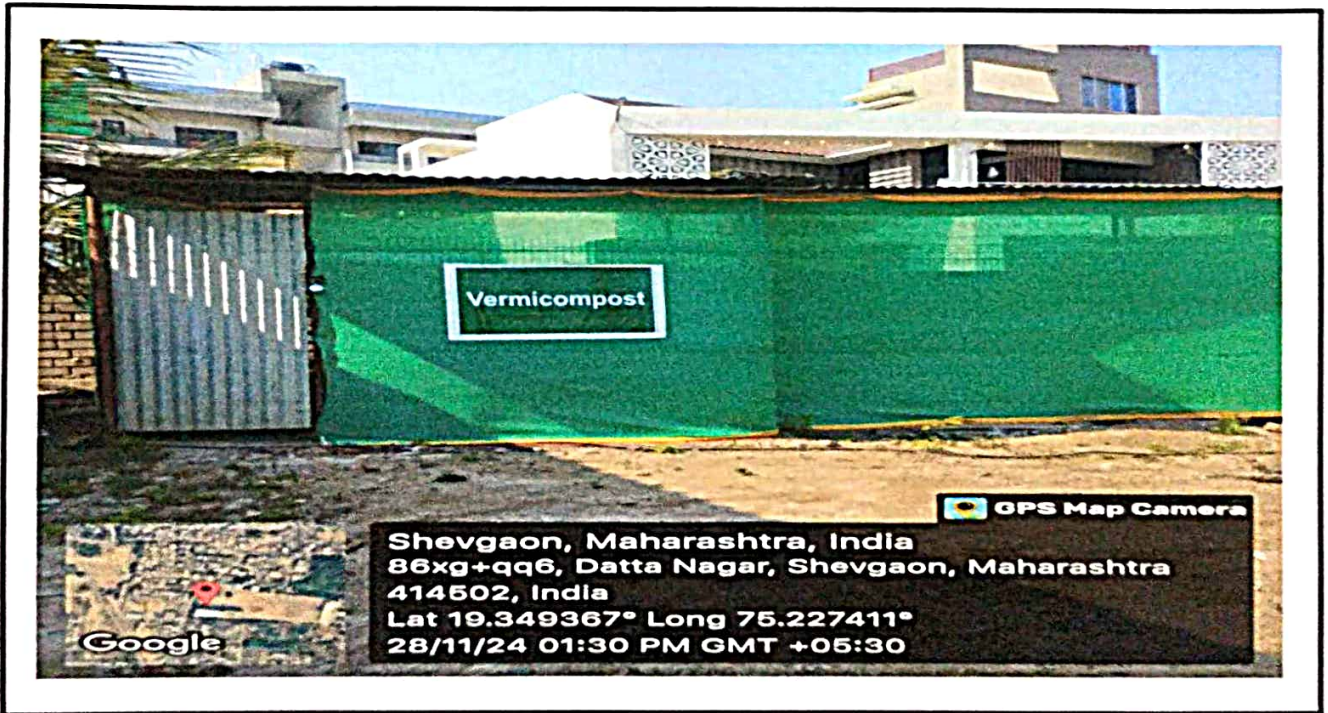

- College campus generates a significant amount of waste, which can have a negative impact on the environment if not properly managed. By reducing waste, campus can help to protect natural resources.
- Two bins system is followed for waste collection. Different garbage collecting bins have been placed at various locations for solid waste management.
- Wet waste is treated through vermicomposting and resulting vermicompost is used as bio fertilizer.
- Dry leaves and other waste is treated in the compost pit and the bio fertilizer is used in the garden
- It is also ensured that all of these components are recycled at lowest possible cost and with least amount of effort.

 Arts, Comm. & Sci. College
 Shevgaon, Dist. Ahmednagar

2) Liquid waste management

- The chemical mixed water from laboratory passes through concealed pipe line into soak pit & recycled water is used for the watering trees or non-potable usage.

3) Chemicals waste management:

- Firstly, Science labs of the college uses very dilute solutions.
- Secondly, college never discards the chemicals/ solutions directly to the basin or in the environment. Rather, college uses a neutralization pit into which the students discard solutions which are most of the time slightly acidic or alkaline.
- Campus is free of hazardous chemicals and radioactive waste.

4) E-waste management:

- The e-waste is collected and sends to central facility of PMT.
- Empty toners, cartridges, outdated computers and electronic items are sold as scrap to ensure their safe recycling by the PMT.

Green Campus Policy

Green Campus policy

❖ Introduction:

A Green Campus Initiative at Pravara Medical Trust's Arts, Commerce and Science College Shevgaon aim to create a suitable, eco-friendly environment for students and staff. This policy aligns with the institution's commitment creates campus where environmental friendly practices and education combine to promote sustainable and ecofriendly practices. Institute conducts various activities to promote environmental issues.

❖ Objectives:

- To sensitize the students and the staff to minimize the use of polluting products.
- To use Environment-friendly products and services.
- To sensitize the staff and students on environmental issues
- To Create awareness about environmental issues by organizing Events, Rallies, Cleanliness Drives, Tree Plantation Drives, Rangoli Competitions, Essay Competitions, Guest Lectures, Talks etc.
- To enrich the greenery in the campus
- To maintain eco-friendly environment.

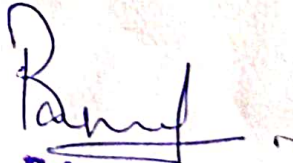

Institute implement following practices towards establishment and maintenance of green campus.

❖ **Major Green Campus Initiatives:**

- Water management / Rain water harvesting
- Minimum use of plastic
- Plastic free campus (Ban on single Use plastic)
- Tree Plantation
- Cleanliness Drive
- Use LEDs
- Landscaping with trees and plants
- The Green and Energy Audit

❖ **Reduce Energy Consumption:**

- Activate power management features on computer.
- Use LED or compact fluorescent bulbs
- Turn off unnecessary lights and use daylight instead.
- Avoid the use of decorative lighting.
- Use fans only when they are needed

Report on Tree Conservation Awareness Program

On behalf of the National Service Scheme (NSS) unit and the Environmental Department of Arts, Commerce, and Science College, Shevgaon, a tree conservation awareness program was organized at Gnyandeep Mandir and Samarth Gnyandeep Secondary School, Shevgaon, on September 6, 2022.

The program aimed to educate students about the importance of tree plantation and conservation. Prof. Digambar Aher from the NSS unit visited the school and explained the significance of tree plantation to the students.

The principals of Gnyandeep Mandir and Samarth Gnyandeep Secondary School extended their support for the event. Dr. Onkar Rasal, Principal of our college, granted permission to conduct the program.

The event successfully promoted environmental awareness among students and highlighted the crucial role of trees in maintaining ecological balance.

Plantation Activity Report

Date 18/09/2022

❖ Overview:

On 18 September 2022, the Department of Botany and Environment Cell organized a plantation activity in the college's botanical garden. A total of 20 students and staff members participated in the activity. During the activity, 10 trees were successfully planted in the botanical garden.

❖ Participants:

- Students: 20
- Staff Members

❖ Objectives:

- To promote environmental awareness among students.
- To contribute to the greening of the college campus.
- To enhance the biodiversity of the botanical garden.

❖ Outcomes:

- 10 trees were planted, contributing to the green cover of the college.
- Students gained hands-on experience in tree planting and environmental conservation.
- The botanical garden was enriched with new plant species.

❖ Conclusion:

The plantation activity was a successful event that not only benefited the environment but also provided valuable learning opportunities for the students. The Department of Botany and Environment Cell looks forward to organizing more such activities in the future to promote environmental sustainability.

Water Conservation Awareness Program

Report

Event Overview

On 3rd October 2022, a Water Conservation Awareness Program was organized by the National Service Scheme (NSS) unit of Savitribai Phule Pune University, Pune, and Pravara Medical Trust's Arts, Commerce & Science College, Shevgaon. NSS volunteers and program officers visited Adarsh Vidya Mandir in Shevgaon to guide the school students on the importance of water conservation and the need for initiatives like 'Stop Water, Let It Soak.'

Objectives of the Program

1. To raise awareness about the need for water conservation.
2. To educate students on techniques for harvesting and conserving water.
3. To encourage sustainable practices to protect water resources.

Key Highlights

- 1. Guidance to Students:** NSS volunteers educated students about the importance of water conservation, including methods like maintaining soil equality and using advanced irrigation techniques.
- 2. Irrigation Techniques:** The session provided information on modern equipment like drip irrigation and sprinkler systems to optimize water usage.
- 3. Awareness and Motivation:** The program created awareness among students about the critical role of water conservation and inspired them to adopt sustainable practices with the mindset of 'Water is the Future.'
- 4. Leadership and Support:** The program was conducted under the guidance of Principal Dr. Onkar Rasal and NSS Program Officer Mr. Sajed Patel,

Mr. Bhalsing Ajit and The headmaster of Adarsh Vidya Mandir, Mr. Sanjay Kalhapure, also supported the initiative.

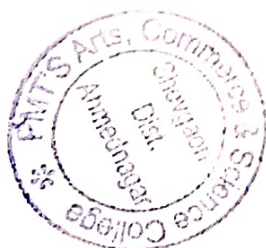

Conclusion

The Water Conservation Awareness Program was a successful initiative to educate school students about the importance of water conservation and sustainable practices. The combined efforts of NSS volunteers and program officers left a positive impact on the students, instilling in them the importance of protecting water resources for a better future.

From Cleanliness to Prosperity"

On 10th October 2022, a program titled "From Cleanliness to Prosperity" was organized by Pravara Medical Trust's Arts, Commerce, and Science College, Shevgaon, in collaboration with the Post Graduate Department of Chemistry at Urdu High School and Junior College of Arts, Shevgaon.

The program aimed to create awareness about the importance of cleanliness in achieving better health and hygiene. Assistant Professor K.B. Inamdar delivered an insightful lecture emphasizing how cleanliness can improve personal and community well-being. The session also included interactive discussions with students on maintaining a clean environment and preventing diseases.

Students actively participated in the session by asking questions and sharing their thoughts. The program concluded with a discussion on water cleanliness and strategies for creating awareness about its importance.

The initiative received positive feedback from both the school management and students, highlighting its effectiveness in promoting the message of cleanliness and prosperity.

Objectives: 1. To raise awareness about the role of cleanliness in health and hygiene.

2. To educate students on maintaining clean surroundings to prevent diseases.

The program successfully inspired students to adopt cleanliness as a way of life and emphasized its role in achieving prosperity.

Poster Presentation Competition

Report

Date :28/02/2023

Introduction:

The Department of Botany organized a poster making competition on 28th February 2023, with the aim of raising awareness among students about environmental issues. The competition focused on three key topics: "Save Nature," "Water Pollution," and "Plastic-Free Environment." A total of 19 students participated in the event, guided by Professor S.D. Dhamal.

Aim and Objectives:

The primary aim of the poster making competition was to educate and inspire students about the critical importance of environmental conservation.

- Promoting awareness of environmental issues, particularly water pollution and plastic waste.
- Encouraging students to adopt environmentally friendly practices and behaviors.
- Fostering creativity and critical thinking skills among students.
- Providing a platform for students to express their ideas and perspectives on environmental conservation.

Results:

- **First Rank:** Kalyani Mhaske
- **Second Rank:** Ujma Shaikh
- **Third Rank:** Zuber Sayeed

The winners were recognized for their exceptional poster designs, which effectively captured the essence of the competition's themes and showcased their creativity and understanding of environmental issues.

Conclusion:

The poster making competition organized by the Department of Botany proved to be a successful event in raising awareness about environmental issues among students. The competition not only showcased the creativity and talent of the participants but also aware about sense of responsibility and commitment towards environmental conservation. The event served as a valuable platform for students to learn about the challenges facing our planet and to explore potential solutions

Number of Participants: 17 students

Introduction:

The Department of Botany at Pravara Medical Trust Arts, Science, and Commerce College organized a poster presentation competition on the occasion of Science Day. The aim of the competition was to create awareness about the environment among students and enhance their artistic skills.

Students created creative posters on various aspects of the environment. They expressed their ideas on topics such as pollution, water conservation, forest conservation, and biodiversity.

Result

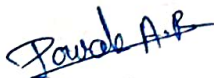

After evaluating all the posters, the results were announced as follow

First : Upadhya Sakshi Sanjay (SYBSC)

Second: kakade Vaishali Ashok (SYBSC)

Third: Kshirsagar Komal Sunil (FYBSC)

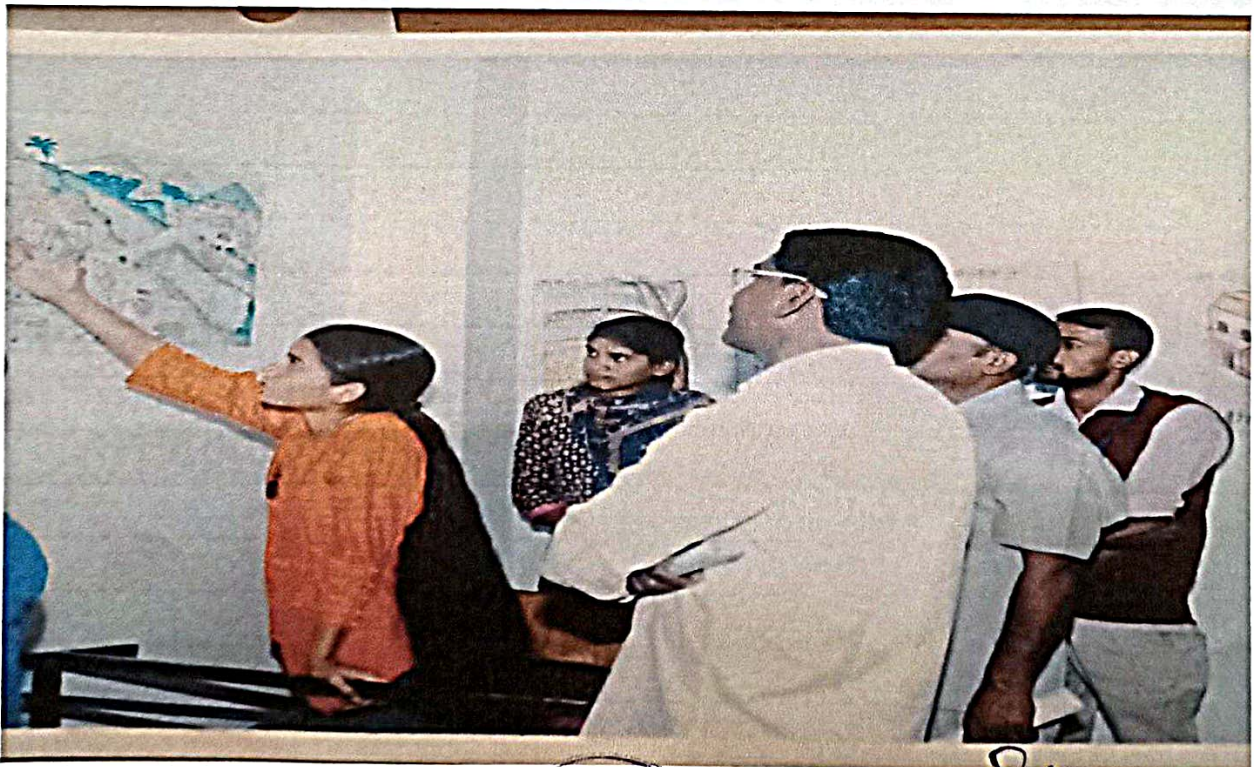

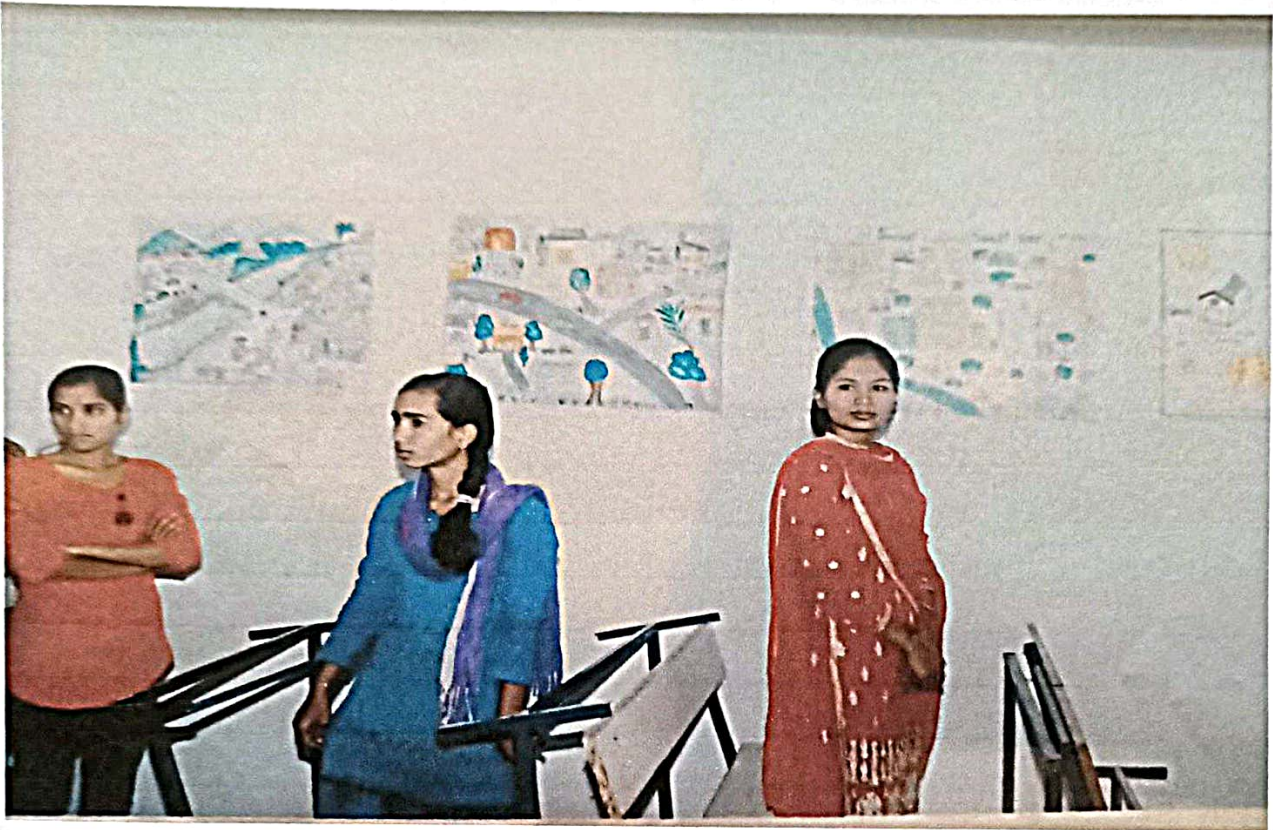

The poster presentation competition was a great learning experience for the students. They used their artistic talents to raise awareness about the environment. The event inspired students to work toward environmental conservation.

REPORT OF PROGRAMME

Topic: Tree Plantation Drive

Date: 15th July, 2020

Time: 10 AM

Venue: Pravara Medical Trust's Arts, Commerce & Science College, Shevgaon

Organized by: Department National Service Scheme (NSS)

Detailed Report: Tree Plantation Drive

Event Overview

The Pravara Medical Trust's Arts, Commerce & Science College, Shevgaon, organized a tree plantation drive on July 15th, inspired by Savitribai Phule Pune University's initiative, "Swachh Vari, Swasth Vari, Nirmal Vari, Harit Vari" (Clean Journey, Healthy Journey, Pure Journey, Green Journey). The event was led by Dr. Yuvaraj Patil Narwade, Executive Director of Pravara Educational Complex, Shevgaon.

Key Highlights

Environmental Initiative: The tree plantation drive aligned with the college's commitment to environmental sustainability and social responsibility.

Leadership: Dr. Yuvaraj Patil Narwade's guidance and support were instrumental in the successful execution of the event.

Faculty Participation: Faculty members, including Prof. Hamid Sheikh (Examination Officer), Prof. Keshav Sase (Student Development Council Officer), Prof. Sajid Patel (NSS Officer), Prof. Sumit Pulate (Co-Program Officer), and Prof. Ganesh Shelke, actively participated in the plantation drive.

Planting for the Future: The event aimed to create a greener campus and contribute to a healthier environment.

Gratitude

The college expressed its sincere gratitude to Dr. Yuvaraj Patil Narwade for his visionary leadership and guidance. The principal, Dr. Onkar Rasal, was also acknowledged for his continuous support and encouragement.

Conclusion

The tree plantation drive was a successful endeavor that showcased the college's commitment to environmental conservation. The event not only contributed to a greener campus but also fostered a sense of environmental responsibility among the students and faculty.

Topic: Cleanliness Campaign during COVID-19 Lockdown

Date: 30th June 2020

Venue: Students Villages

Organized by: Department of National Service Scheme(NSS)

Report on Cleanliness Campaign during COVID-19 Lockdown

Organized by: National Service Scheme (NSS)

Date: 30th June 2020

Objective

1. To promote cleanliness and hygiene during the COVID-19 lockdown.
2. To encourage students to keep their homes, villages, and surroundings clean.
3. To spread awareness about the importance of hygiene in preventing diseases.

Details of the Activity

During the COVID-19 lockdown, NSS volunteers from PMT's Arts, Commerce, and Science College, Shevgaon, actively cleaned their homes, villages, and nearby areas. They also spread the message of cleanliness in their communities.

The activity was guided by Program Officer Mr. Sajed Patel and Assistant Program Officers Mr. Sumit Pulate and Ms. Sheetal Markad. The Principal, Dr. Onkar Rasal, appreciated the efforts of the students and encouraged them to continue their good work.

Conclusion

The campaign successfully promoted the importance of cleanliness and hygiene. It reflected the dedication of NSS volunteers to serving their community during difficult times.

Botanical Garden Cleaning Activity Report

Date :28/08/2019

❖ **Overview:**

The Department of Botany organized a cleaning drive in the college botanical garden on 28 August 2019. The primary objective of this activity was to remove all plastic waste from the garden, thereby contributing to environmental conservation and maintaining the garden's aesthetic appeal.

Participants, including students and faculty members, worked together to collect and dispose of various plastic items such as bottles, bags, and wrappers. The collected waste was sorted and properly disposed of according to local waste management guidelines.

❖ **Participants:** 17 Students

❖ **Outcome:**

The cleaning activity was a resounding success. The botanical garden was significantly cleared of plastic waste, improving its overall appearance and creating a healthier environment for the plants and wildlife. The event also fostered a sense of community and environmental awareness among the participants.

❖ **Conclusion:**

The botanical garden cleaning drive was a valuable initiative that not only benefited the garden itself but also highlighted the importance of environmental conservation and responsible waste management. The department plans to organize similar activities in the future to maintain the garden cleanliness and promote sustainable practices.

Report of Programme

Topic: "Awareness for Cleanliness"

Date: 08th August 2018

Time: 10:00 AM

Venue Shri Pandurang Secondary School, Warur Bk.

Organized by: Department of National Service Scheme (NSS)

Report

“Awareness for Cleanliness”

Date: 08th August 2018

Objectives:

- To raise awareness among school students about the importance of cleanliness.
- To educate students on personal hygiene, environmental cleanliness, and healthy habits.
- To promote the idea of a clean and healthy lifestyle as part of the "Swachh Bharat Abhiyan."

Details of Programme:

On 8th August 2018, under the "Swachh Bharat Abhiyan" initiative, Pravara Medical Trust's Arts, Commerce & Science College organized an awareness program at Shri Pandurang Secondary School, Warur Bk. A total of 37 volunteers from the college's National Service Scheme (NSS) conducted the program for students from 5th to 10th.

The NSS volunteers focused on explaining the importance of cleanliness, emphasizing topics such as personal hygiene, environmental cleanliness, healthy eating habits, and the importance of conserving water.

The program was attended by the school's Principal, the NSS Program Officer, Prof. Rajendra Kale, Prof. Hamid Shaikh, and other faculty members.

Conclusion:

The awareness program successfully conveyed the message of cleanliness to the students, helping them understand the significance of maintaining personal hygiene and a clean environment. The event was a valuable contribution to the "Swachh Bharat Abhiyan" and helped instil a sense of responsibility towards cleanliness among the students.

Report of Programme

Topic: Awareness Campaign on "Swachh Bharat, Swasth Bharat"

Date: 08 August 2018

Time: 10:00 AM

Place: Varur, Taluka Shevgaon

Organized by: Department of National Service Scheme (NSS)

Title: Awareness Campaign on "Swachh Bharat, Swasth Bharat"
Report on Cleanliness Fortnight Awareness Campaign
Date: 08 August 2018

Introduction:

On 08 August 2018, as part of the Cleanliness Fortnight initiative, NSS volunteers from the college visited Varur village to create awareness about the "Swachh Bharat, Swasth Bharat" mission. Volunteers went door-to-door to educate villagers on the importance of cleanliness and a healthy environment.

Objectives:

1. To promote the goals of the "Swachh Bharat, Swasth Bharat" mission.
2. To spread awareness about personal and community hygiene.
3. To encourage villagers to maintain cleanliness in their homes and surroundings.

Program Details:

The NSS team, led by Program Officer Mr. Rajendra Kale and Assistant Program Officer Mr. Hamid Shaikh, conducted the campaign with active participation from the villagers. The Sarpanch of Varur provided full support to the initiative and helped ensure its success.

On behalf of the college, Program Officer Mr. Kale expressed gratitude to the Sarpanch for their cooperation. Similarly, the villagers and the Sarpanch appreciated the college's efforts to spread awareness and conduct the campaign in the village. The initiative was guided by the college Principal, Dr. Onkar Rasal, who provided valuable direction and support.

Conclusion:

The campaign was successful in promoting the message of cleanliness and health among the villagers. The collaborative efforts of the NSS volunteers, village authorities, and college administration made the program impactful. It motivated the villagers to adopt cleanliness as a way of life for a healthier future.

Report on Environmental Awareness Rally

Date: 01/01/2019

Time: 9:00 AM

Pravara Medical Trust Arts, Commerce, and Science College, Shevgaon, organized an Environmental Awareness Rally on the occasion of new year on 1st January 2019 under the Botany Department and Environment Awareness Cell. The rally was approved by the college principal, Dr. Onkar J. Rasal.

The rally began at 9:00 AM from the college campus, with participation from students and professors of all departments. During the rally, students raised slogans to spread awareness about environmental conservation. Slogans like "Save Trees, Save Life" and "Save Water" highlighted key environmental concerns and encouraged people to care for the environment.

The Objectives of this program was to spread awareness about the importance of protecting the environment, educate people about the issues of environmental pollution and highlight the need to save water.

The rally was a successful initiative toward creating environmental awareness. Students actively participated and pledged to protect the environment. The event effectively conveyed the message of environmental conservation and its importance to the public.

Report of Programme

Topic: Report on Awareness Campaign

Date: 9th February 2019

Time: 10:00 AM

Venue: Amarapur, Tal.- Shevgaon.

Organized by: Department of National Service Scheme(NSS)

Report on Awareness Campaign

Date: 9th February 2019

Place: Amarapur, Taluka Shevgaon

Introduction:

On 9th February 2019, an awareness program was held in Amarapur village by NSS volunteers. The campaign aimed to create awareness about environmental protection, health and cleanliness, water conservation, communal harmony, and social issues like "Save the Girl Child, Educate the Girl Child" and gender equality.

Objectives:

1. To inform villagers about protecting the environment.
2. To teach the importance of health and cleanliness.
3. To promote unity and harmony among people.
4. To spread knowledge about saving and managing water.
5. To support equal rights for women and girls.

Program Details:

The awareness campaign was conducted at Zilla Parishad School, Amarapur. Students of the school actively participated in the session along with the villagers. The Sarpanch, Mrs. Sangeeta Fotphode, Gram Panchayat members, the Gram Sevak, laborers, and the talathi gave full support to the program. The program was guided by Principal Dr. Onkar Rasal.

NSS Program Officer Mr. Rajendra Kale and Assistant Officers Mr. Hamid Shaikh, Ms. Rohini Gunjal, and Ms. Jyoti Khandagale helped in planning and organizing the activities.

Conclusion:

The campaign was a success due to the participation of Zilla Parishad School students, support from villagers, and efforts of NSS volunteers. It educated participants on key issues and inspired them to take positive steps for a better society.
